SUNDAY APPEAL

F. A. TYLER, - - - EDITOR.

SUNDAY MORNING, : .: : JAN. 23, 1870.

Ix view of the proposition to reconstruct Tennessce, the Philadelphia

fit man, by Judge H. E. Hubson, Attrice has been devoted to the torney General Hornican, Sheriff A. true interests of the whole country been mustered into service, this time Internal Revenue, ROLFE

heard, it has been very numerously signed), praying the abolishment of the franking privilege. We hope this and like prayers from other sections and like prayers from other sections and like prayers for the country will be control of the country of th of the country will be entirely successful with Congress. This franking of the country will be constructed by the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress. This franking of the country will be entirely successful with Congress and the congress of the country will be entirely successful with Congress and the congress of the country will be entirely successful with Congress and the congress of the country will be entirely successful with Congress and the congress of the cong of the country will be entirely successful with Congress. This franking privilege has come to be one of the worst abuses known to our system of worst abuses known to our system of quility." We have had the peace of time. In addition, the following is given by the Gazette: worst abuses known to our system of government. For ten years past it has been made ase of by the Radical party for the dissemination of all their degrees and unity of the dissemination of all their degrees and unity of the polators and oranges, and wished as the polators and oranges, and wished such the mansion, are inspected to admit the mansion of their dear father would go and die in their dear father would go and party for the dissemination of all their infamous documents; and publishers have not sempled to avail themselves of it through conniving Congressmen to advance their schemes, and sow brondcast free-love, spiritual, woman's rights and other publications, thus cheating the government and people.

If that is "trangular is "trangular is made is "trangular is made in a tempot," If it is war, then we prefer peace. In Mississippi, Arkansas and South Carolina, they have enjoyed the singular blessing largely for a good while. We wonder if they are pleased with the "tranquility" are pleased with the "tranquility". It is not the sort we want. It is not the sort we want. It is not the sort we want. It is president's house, and purchase of products from the product is not through the product is not produced in a tempot."

If that is "trangular is "tempost the first for President's house and he products from wards and he from wards. He moving some and he from wards and particle for the form wards. He moving some and he moving some and he from wards and parti cheating the government and people, it is not the sort we want. It is

The Avalanche deplores this happy result as a great evil, attributable to the fact that its wise counsels were not followed by men who "could not see beyond the ends of their noses, while the Avalanche looked a twelve-month abacad." It is a great thing to have such superior faculties, especially it beyond the verilet of the people have such superior faculties, especially it beyond the more sugacious of fortunes with the more sagacious of fortunes and very well, as was a proved by the more of the expenses of the standard to the control of the people with the more sagacious of fortunes and very well, as was a proved by the abide the result of the people with the more sagacious of fortunes with the more sagacious of fortunes and very well, as was a proved by the decided, we will agitate no provide the form of the extravagames and a day, on solid, straight and the treatful it is the general that the work of their estimates to meet the expenses of their standard that the more sagacious of their estimates of meet the extravagames that the more is made with the more is made at with thim. Another and the provide in the time of their standard the same with thing. They looked the more sagacious of the every of the same provided in the data Mr. Daves did not a day to the more sagacious of fortunes with the more sagacious of fortunes tellers, our radighted with a same and and the council to the council of the very of the same and the council of the same with the more sagacious of fortunes and the council of the same with the more sagacious of fortunes and the council of the proposed with the more sagacious of fortunes with the more sagacious of fortunes and very well as the ends of their noses." But we "peace."
